STARTUP

- Click on **Give me New Movie** to Start the Game.

- A random Movie is generated and a Placeholder representing words in the movie is updated.

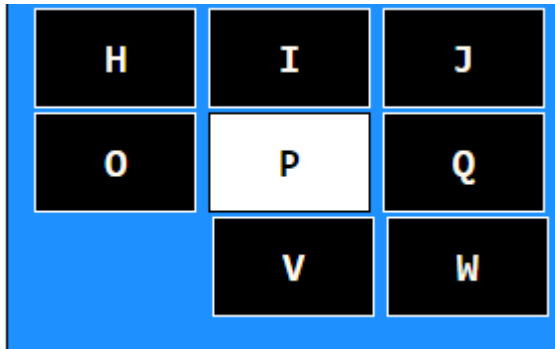

PLAY

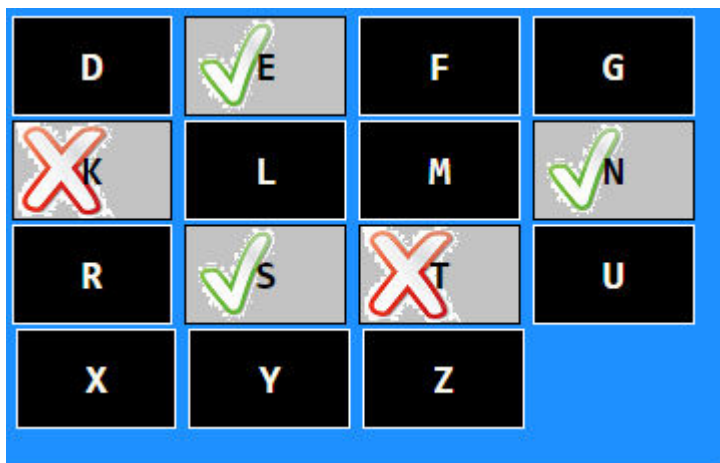

- One random American Movie of this decade (2010-onwards) is provided to you.
- You need to guess the Movie in a limited number of attempts.

Select Letters to Guess the Movie. Wrong Guess will Deplete your HP!

- Each attempt consists of selecting a letter likely to be present in the movie-name.

- There are visible indicators present for right and wrong guesses.

- Hit Points (HP) are deducted by 10 for each wrong guess.

HP: 60

- The Movie Placeholder gets updated as the game progresses.
-

S-n- -ne

- As for any Game, you may win the game if you stay sharp.
